

Endoscopy Center of North Mississippi, LLC**Patient Name:** test test**THE WEEK BEFORE PROCEDURE:**

***PLEASE READ all of the directions thoroughly to ensure you have a successful test. If you do not follow this sheet completely, we will possibly cancel your procedure and you will have to go through this process again. ***

1. Pick up prep from drug store. Follow OUR instruction sheet. Do NOT follow the box instructions.
2. You MUST have a driver for the day. You will be sedated and not be allowed to drive until the day after your test. Bring only 1 person inside with you. Arrive at your scheduled appointment time.
3. STOP weight loss meds AND iron supplements 7 days before procedure.
4. STOP blood thinners (coumadin/warfarin, plavix/clopidogrel, pletal, effient, pradaxa, brillinta) 5 days before your procedure.
5. STOP xarelto and eliquis 2 days before the test (48 hours)
6. STOP advil, aleve, naproxen or any other anti-inflammatory meds 3 days before. Tylenol (acetaminophen) is fine to take.
7. IF you are having this test at the hospital (Panola Medical Center) *** STOP Mounjaro, Ozempic, Wegovy, or Rybelsus 7 days before your procedure. If you are having test at our facility and are taking these shots for diabetes- you can continue taking these. If you are taking for just weight loss- please refrain from administering it 7 days before your test.
8. If you see a cardiologist every 3-6 months OR have any upcoming heart tests or appointments, please notify the scheduler to ensure we can get a cardiac clearance in time.
9. We ask that if you need to reschedule, please do at least 96 hours before your test or you will have to pay a \$100 no show fee. If you do not show up for your appointment, you will need to pay the \$100 fee before you will be rescheduled.

THE DAY BEFORE PROCEDURE:

CLEAR LIQUIDS ALL DAY

*****NO SOLID FOOD For breakfast, lunch OR dinner*****

(See list of clear liquids)

Keep yourself well hydrated by drinking as much fluid as you can during the day.

6 PM: Pour Dose 1 Plenvu packet into provided container and add water to fill line. Mix with spoon or place top on and shake until completely dissolved. Drink the entire contents of the container within the next 30 minutes. Rinse mixing container with water and add clear liquids to fill line, and drink contents within the next 30 minutes. [May chill for 6 hours or pour over ice before drinking.]

You may continue drinking clear liquids until midnight.

TIPS: Baby wipes or flushable wipes help keep irritation down and vaseline applied to anus may help also.

REMEMBER WE CAN NOT SEE THROUGH STOOL, TAKE ALL OF YOUR PREP

THE DAY OF THE PROCEDURE:

5 AM: Rinse container with water, and pour Dose 2 pouch of the Plenvu A & B in container. Add water to fill line. Mix with spoon or place top on and shake until completely dissolved. Drink the entire contents of the container within the next 30 minutes. Rinse mixing container with water and add clear liquids to fill line, and drink contents within the next 30 minutes.

Absolutely NO liquids after 7 am. No gum, NO mints, NO candy. You can brush your teeth, just don't swallow water.

You may take your morning medications before 7 am. (Blood pressure, heart, seizure, anxiety, depression medications)

Do not take diabetic medications by mouth. If you are insulin dependent please follow the instructions attached.

* Please bring a list of your prescription medications with you. No need to bring the bottles into the building. We ask that you write name of the medication, dose and how often you take it on the list.

* Arrive at your scheduled time.

* Please bring information cards for any implanted devices such as pacemaker, defibrillator or nerve stimulator (if applicable)

* Please bring your driver's license and insurance cards.

* PLAN ON BEING HERE FOR 2 TO 4 HOURS

* Please leave your jewelry at home, otherwise you will be asked to remove it upon arrival. You may keep your hearing aids in.

* DO NOT SMOKE, VAPE OR DIP the day of your procedure!! THIS IS VERY IMPORTANT!!!!
